Hello Friends of Penn Cove Water Festival Association!

Another year is over and a new one has begun. We had an amazing year last year and we are looking forward to seeing you again this year! We are pleased to announce that the 2019 Penn Cove Water Festival will be held Saturday May 4th 2019 in Coupeville historic waterfront district. As you are aware, the festival includes canoe races, music, dance, arts and craft vendors, artisan demonstrations, children's activities, and delicious foods.

Once again we would like to welcome you back or welcome you aboard. We would like to invite you to participate in the Penn Cove Water Festival as an Arts and Crafts Vendor. The Association welcomes high quality products, which must be made by Native Americans OR they must be hand crafted and reflect inspiration from indigenous cultures from North, Central or South America. We do not accept mass-produced imported products. Please feel free to display your certificate of authenticity. We are proud to honor you.

Coupeville has free Wi Fi so you will be able to use your Square or other Charge Card Apps with your customers. For your convenience there will be an ATM Machine in the Coupeville Recreation Hall.

If you would like to be considered as a vendor this year please complete the attached application for booth space. Please note our new Arts and Craft Vendor Contact. All applications should be sent to the contact information below.

We thank you for continuing the tradition of Penn Cove Water Festival! We look forward to seeing you at the 2018 event.

Sincerely,

Nina Marie Goddeau
